This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Director-General of Civil Aviation.

Civil Aviation Authority of Singapore

Supplemental Type Certificate

No. AWI/STC/0082

AVIONICS SUPPORT GROUP, INC

13155 SW 132ND AVENUE
MIAMI, FLORIDA
USA 33186

Limitations and Conditions:

- 1) Approval of this change in type design applies to the above aircraft model and aircraft serial numbers only.
- 2) A copy of this certificate and Avionics Support Group, Inc. Master Drawing List (MDL) 210142-MDL must be maintained in the aircraft permanent records.
- 3) This approval should not be extended to other aircraft of this model on which previously approved modifications are incorporated unless it is determined to have no adverse effect on the airworthiness of the aircraft.
- 4) If the holder of this certificate agrees to permit another organisation to use this certificate to alter the product, the holder shall give the other organisation written evidence of that permission.
- 5) The holder of this certificate shall comply with SAR 21 Subpart C on the maintenance of all relevant documents and the need to inform all users of this change in type design of any updates to instructions for continued airworthiness.
- 6) The Limitations and Conditions listed in FAA Supplemental Type Certificate Number ST03974AT, shall also apply to this STC.
