Supplemental Type Certificate

Number: ST09910AC

This certificate issued to:

Delta G Design, Inc. 100 Research Pkwy., Suite 3287-B Waco, TX 76704

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations

Original Product – Type Certificate Number:

A1NM

Make: The Boeing Company

Model: 767-300F Series

Description of Type Design Change:

Installation of a HGA-7001 Antenna (structural provisions only) in accordance with Delta G Design Master Data List DGD-HGA01-MD-01, Rev. IR, dated March 4, 2020, or later FAA approved revision. Maintained per Delta G Design and Instructions for Continued Airworthiness DGD-HGA01-IC-01, Rev. IR, dated February 11, 2020, or later FAA accepted revision.

Limitations and Conditions:

The installer must determine whether this design change is compatible with previously approved modifications. If the holder agrees to permit another person to use this certificate to alter a product, the holder must give the other person written evidence of that permission. This certificate is for structural provisions only. EMI and functional testing is required as part of a separate approval when associated component parts are installed.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Any alteration of this certificate is punishable by a fine of not exceeding \$1,000, or imprisonment not exceeding 3 years, or both. This certificate may be transferred or made available to third persons by licensing agreements in accordance with 14 CFR 21.47. Possession of this Supplemental Type Certificate (STC) document by persons other than the STC holder does not constitute rights to the design data nor to alter an aircraft, aircraft engine, or propeller. The STC's supporting documentation (drawings, instructions, specifications, flight manual supplements, etc.) is the property of the STC holder. An STC holder who allows a person to use the STC to alter an aircraft, aircraft engine, or propeller must provide that person with written permission acceptable to the FAA. (Ref. 14 CFR 21.120).
